# Lives were transformed in 2025 because of *you*

## FAMILY MINISTRIES

When Nataski and her three sons approached the doors at Nashville Rescue Mission, they had nowhere else to go. Living out of their truck, she prayed for God to lead them somewhere safe—and He did. Through the Mission, Nataski found shelter, encouragement, and renewed faith.

This summer, she and her boys moved into permanent housing, grateful for the fresh start God provided.

*"I just asked God to lead me. I said, 'Lord, please just lead me somewhere.' They welcomed us in with open arms."*

## EMERGENCY SERVICES MINISTRIES

When Grace arrived at Nashville Rescue Mission, she was grieving deep loss and starting over. After the deaths of her husband and her beloved service dog, Mr. Greg, she came to Nashville seeking medical care and a place to heal. Through the Mission's Emergency Services Ministry, she found safety, prayer, and community. Today, Grace has secured permanent housing and looks forward to helping others find hope through faith.

*"It gives me a roof over my head, a bed to sleep in, and an opportunity to get to pray with women. It's been a blessing in a lot of ways."*

## LIFE RECOVERY MINISTRIES

Rex spent years caught in addiction, searching for peace and a way forward. When he came to Nashville Rescue Mission's Life Recovery Program, he found not only healing but a new purpose rooted in faith. Today, Rex is thriving in his work beyond the Mission, living each day with gratitude and the joy of a life restored.

*"I hadn't seen a Mission that's been as good as this one. I really hadn't, and it really helped me. I like clean living. I really like clean living now."*
